

## Common Cosmic Ansanbaluiazar

"Everything issuing from everything and again entering into everything."

Christ  
the  
Source  
of Life

(Gurdjieff,  
All and  
Everything  
39:775)

## Common Cosmic Iraniranumange

Cosmic scale of "exchange of substances,' maintaining the existence of everything existing in the Megalocosmos as one whole."

**In the beginning [Christ] the Son of AElohim created the heaven and the earth.**

**And the earth was without form, and void; and darkness was upon the face of the bottomless abyss. And the Spirit of the Elohim moved upon the face of the waters.**

# Saturnian Epoch

The human bodies on the epoch of Saturn, our modern human bodies were only germs (microorganisms, earliest form of organisms) with the possibility of development.

Our current human bodies in those times resembled human phantoms, and the Innermosts of our present humanity had already received their most fine vesture.

The present human "Innermosts" (Monads) were just virginal sparks who were animating the mineral kingdom....

# Solar Epoch

During the Solar epoch the physical bodies of our present humanity were developed a little more and these bodies received the Vital body, which in the present time serves as a foundation for the whole human biology.

When the cosmic night of the Solar epoch approached, after millions of years, the Four Lords of Flame endowed the present human Innermosts (Monads) with a Spiritual Soul or Buddhic body, which is the body of intuition.

# Lunar Epoch

During the Lunar period, the physical bodies of our present humanity reached a high degree in their perfection. We acquired the Astral Body during that period. We, the human beings of present times, were the animals of the Lunar period.

The Lords of Wisdom were the ones who endowed us with the Astral Body. The Lords of the Personality were the ones who endowed us with personality

During the Lunar period, the Innermosts (Monads) of this present humanity acquired the body of the Human Spirit, called the Body of Willpower.

Willpower is the power with which we can dominate our passions in order to convert ourselves into Gods.

# Terrestrial Epoch

In the dawn of life, the Four Thrones emanated from their own life source millions of human bodies in an embryonic state.

These human bodies were developed through the ages.

Now they are our marvelous physical bodies, which are made from the mud of the earth.

# TetartoKosmoses

**Ye are the light of the world. A city that is set on an hill cannot be hid.**

**Neither do men light a candle, and put it under a bushel, but on a candlestick; and it gives light unto all that are in the house.**

**Let your light so shine before men, that they may see your good works, and glorify your Father who is in heaven.**

**- Matthew 5: 14-16**

**In him IS life; and the life IS the light of men. And the light shines in darkness; and the darkness comprehended it not. - John 1: 4, 5**

# Atomic Christic Life

Terms used by Gurdjieff to refer to the seven crystallizations of energy in the human body:

protoëhary

deuteroëhary

tritoëhary

tetartoëhary

pentoëhary

exioëhary = sperm

resulzarion = gestational results

These words are composed of a prefix derived from Greek numbering.

The suffix -ehary is derived from the term "johary" which in Persian-Azerbaijani-Turkish vocabulary means "essence" (or extract) of, or "atomic crystallization of."

**Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it. - Matthew 7: 13, 14**

**And Elohim said, Let there be light: and there was light.**

**And Elohim saw the light, that it was good: and Elohim divided the light from the darkness. And Elohim called the light Day, and the darkness he called Night.**

**And the evening and the morning were the first day.**

**Let there be light**

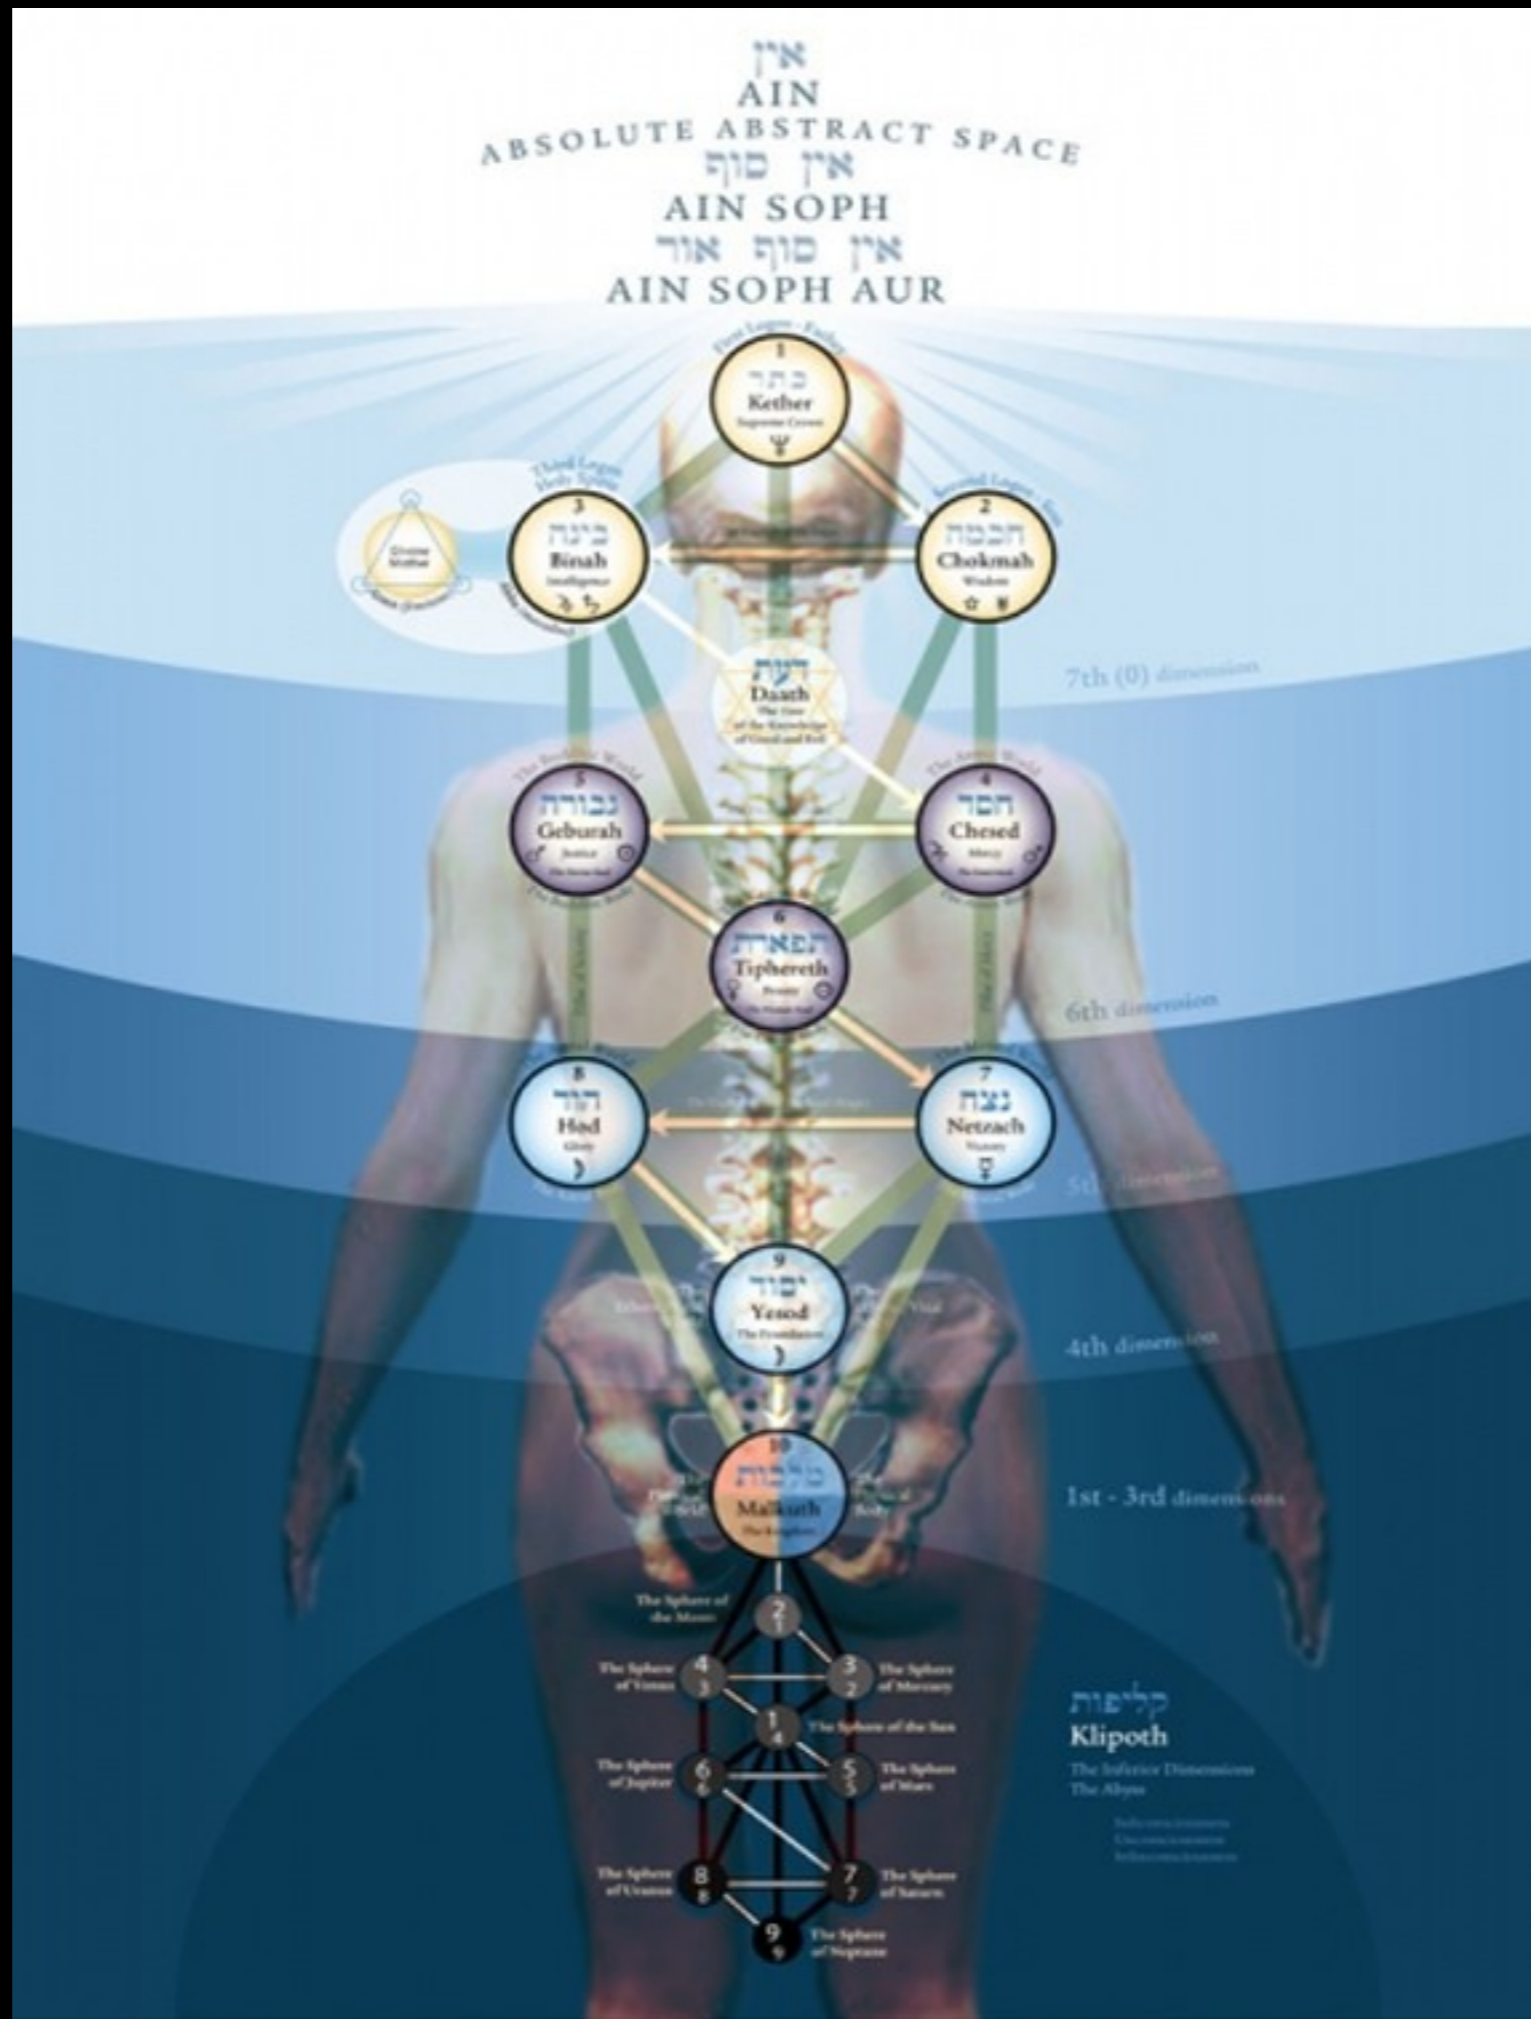

**And there was light**

**And Elohim saw that the light was good**

Night

**And Elohim said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters.**

**And Elohim made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so.**

**And Elohim called the firmament Heaven.**

**And the evening and the morning were the second day.**

**And Elohim said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so.**

**And Elohim called the dry land Earth; and the gathering together of the waters called he Seas: and Elohim saw that it was good. And Elohim said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so.**

**And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and Elohim saw that it was good. And the evening and the morning were the third day.**

**And Elohim blessed the seventh day, and sanctified it: because that in it he had rested from all his work which Elohim created and made.**
