FOUR NOBLE TRUTHS

1. There is suffering.

“Birth is suffering; Decay is suffering; Death is suffering; Sorrow, Lamentation, Pain, Grief, and Despair, are suffering; not to get what one desires, is suffering...”

FOUR NOBLE TRUTHS

2. Suffering has a cause.

"It is that craving which gives rise to fresh rebirth, and, bound up with pleasure and lust..."

FOUR NOBLE TRUTHS

3. There is extinction for suffering.

“It is the complete fading away and extinction of this craving, its forsaking and giving up, the liberation and detachment from it...”

FOUR NOBLE TRUTHS

4. The extinction of suffering is the result of the eightfold path.

"It is the Noble Eightfold Path, the way that leads to the extinction of suffering... This is the Middle Path which the Perfect One has found out, which makes one both to see and to know, which leads to peace, to discernment, to enlightenment, to Nirvana."

“Except a man be born again, he cannot see the kingdom of God... Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. That which is born of the flesh [through common sex] is flesh; and that which is born of the Spirit is spirit.”

- JESUS FROM JOHN 3

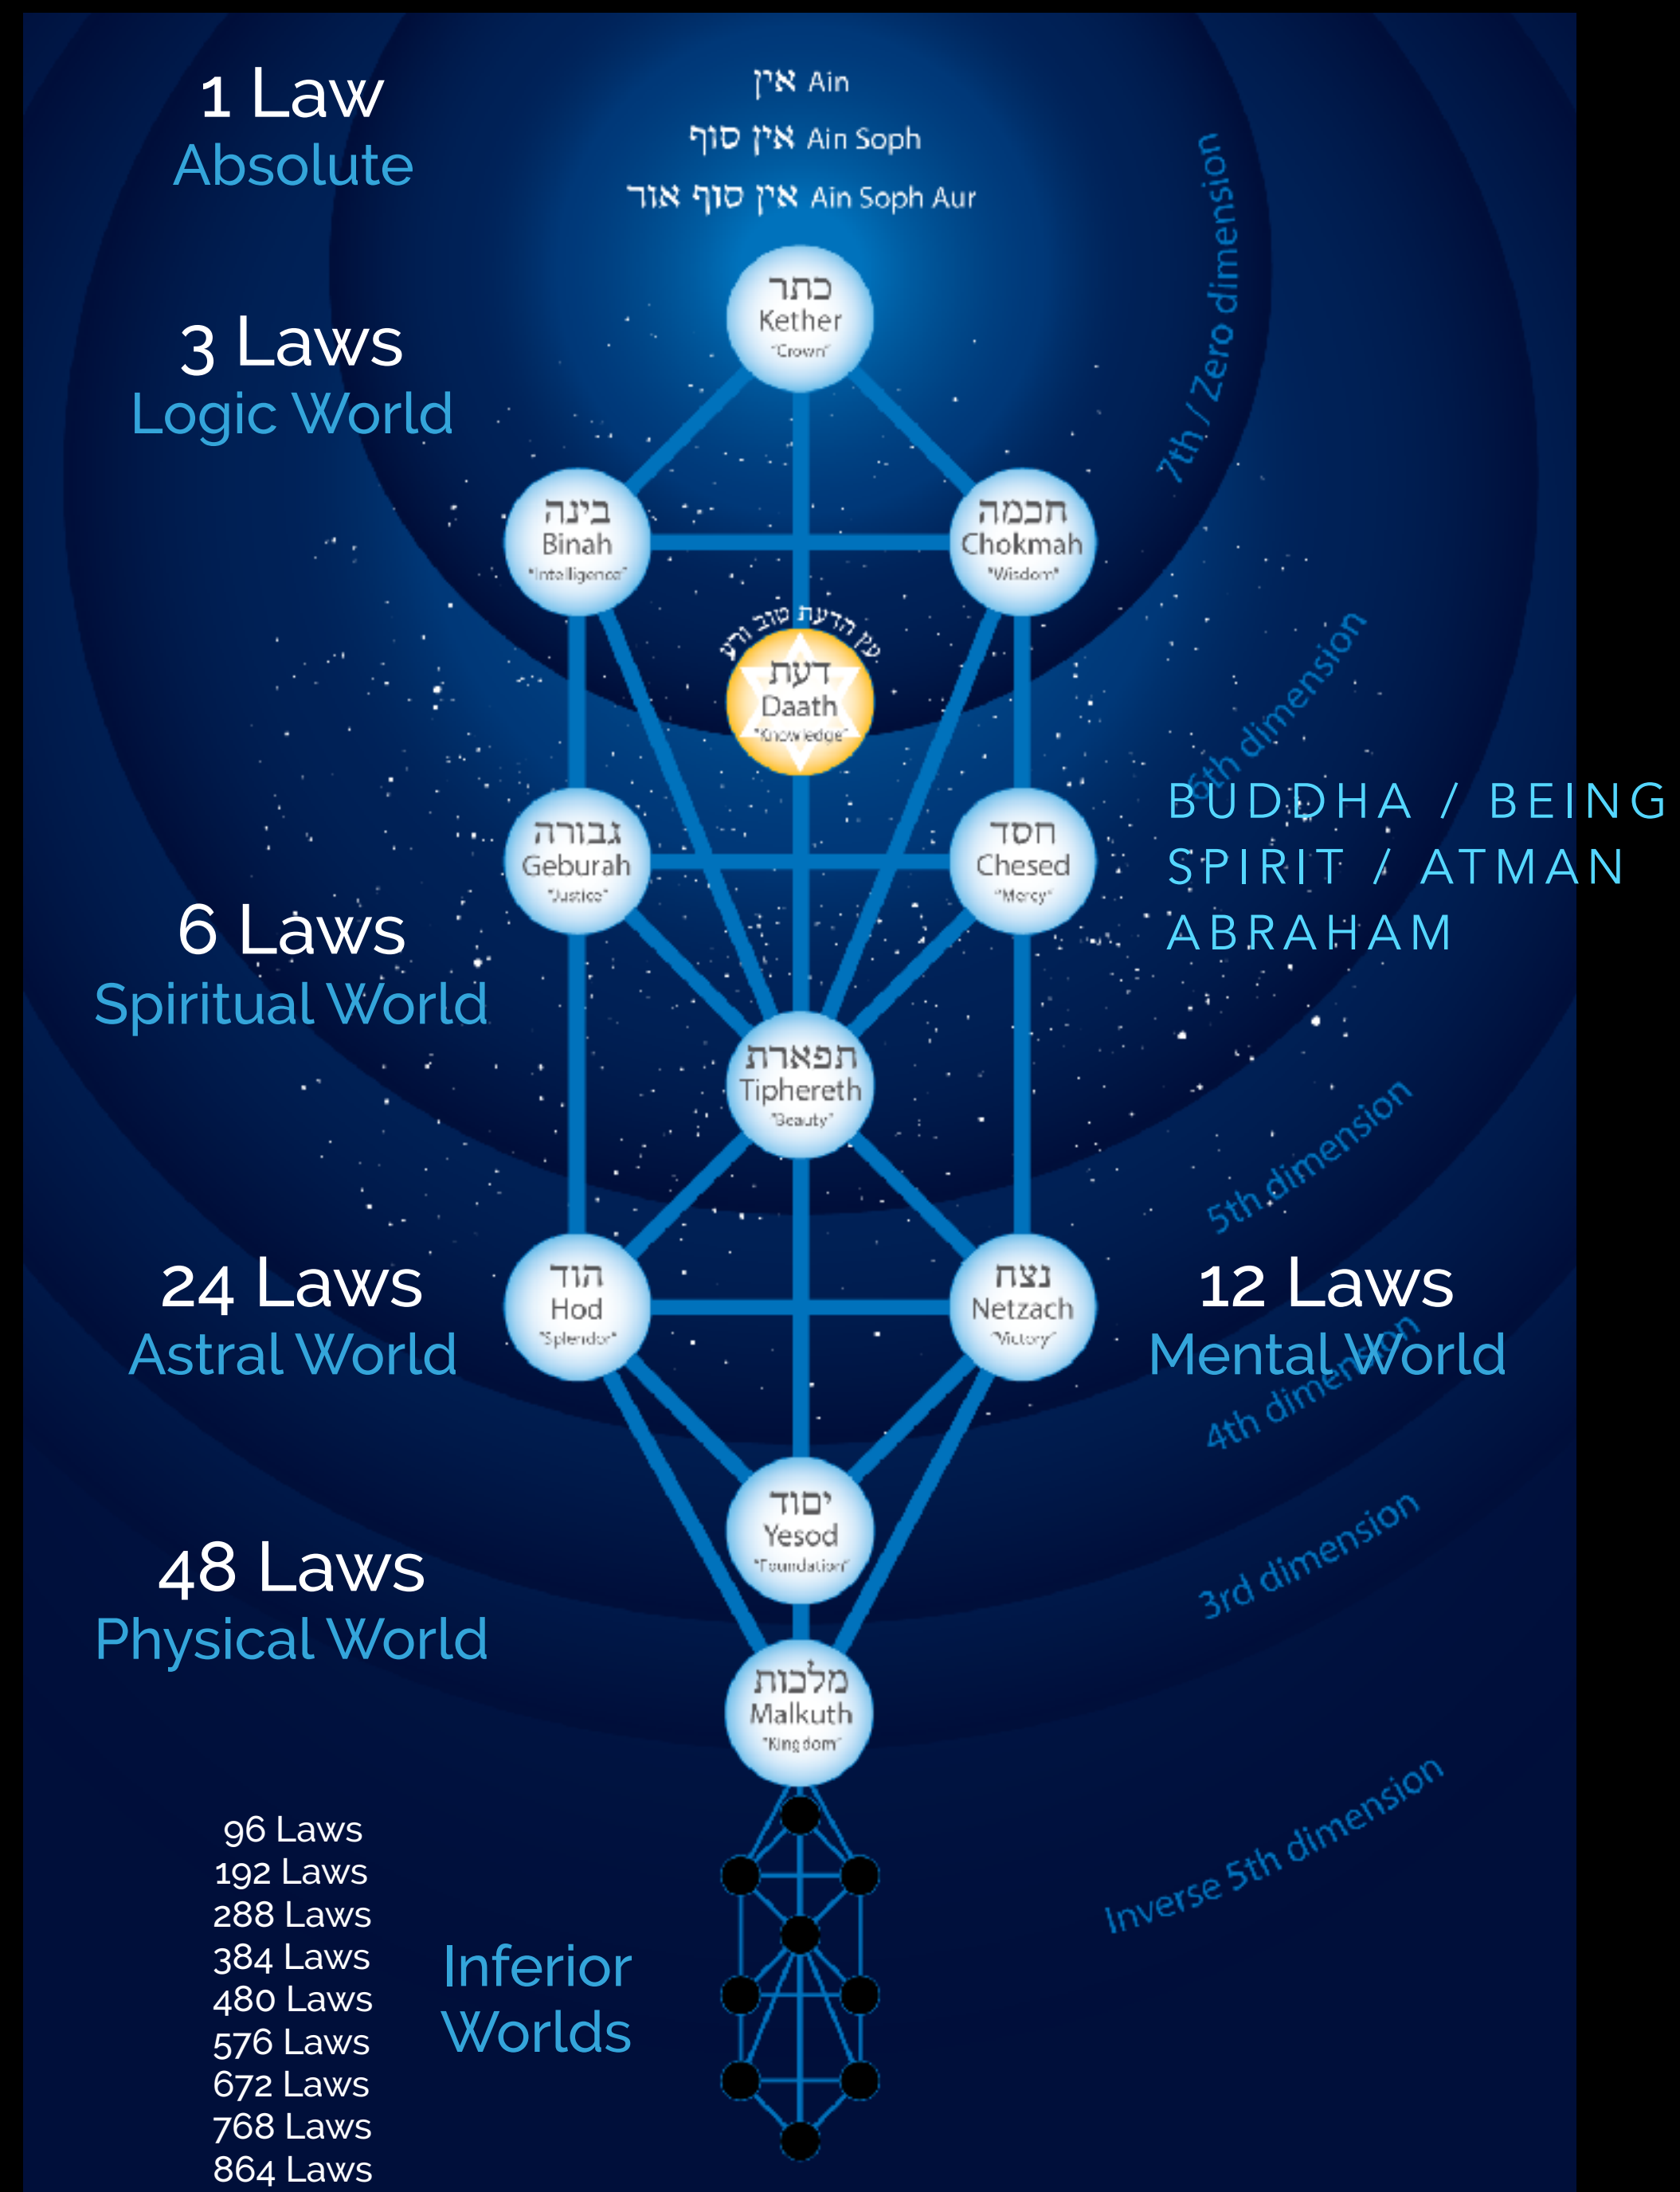

"...whosoever drinketh of the [living] water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life." The woman saith unto him, "Sir, give me this water, that I thirst not, neither come hither to draw." Jesus saith unto her, "Go, call thy husband, and come hither."
