

Alchemical Kabbalistic Christ

**“And he said to them all,
If any man will come after me,
let him deny himself,
and take up his cross daily,
and follow me.” - Luke 9: 23**

**“And he that taketh not his
cross, and followeth after me,
is not worthy of me..” -
Matthew 10: 38**

**And this is the condemnation,
that light is come into the
world, and men loved
darkness rather than light,
because their deeds were evil.**

**For every one that does evil
hates the light, neither comes
to the light, lest his deeds
should be reprov'd.**

**But he that does truth comes
to the light, that his deeds
may be made manifest, that
they are worked in God.**

**In the beginning was the Word,
and the Word was with God,
and the Word was God.**

**The same was in the beginning with God.
All things were made by him;
and without him was not any thing made that was
made.**

In him was life; and the life was the light of men.

**And the light shineth in darkness; and the darkness
comprehended it not. - John 1: 1-5**

The cerebrospinal fluid and the semen are the two poles of the sexual energy.

The angel has the two poles upwards, towards his head.

Common and ordinary human beings and Demons have one pole upward and the other downward. They form the brain with one pole, and they fornicate with the other pole.

The Kundalini of the angel goes upwards; yet, the demon's Kundabuffer goes downwards.

Verily, verily, I say to you, unless one is born of water and of the Spirit (related to Latin: spirare “to breathe”), one cannot enter into the kingdom of God.

That which is born of the flesh is flesh; and that which is born of the Spirit (Greek, Pneuma) is spirit (Pneuma).

Marvel not that I said to you, You must be born again. The wind (Greek, Pneuma) blows where it wants, and you hear the sound thereof, but cannot tell from where it comes, and where it goes: so is every one that is born of the Spirit (Hebrew Ruach). – John 3: 5-8

And the Spirit (Ruach or Pneuma) of the Elohim moved upon the face of the waters. – Genesis 1: 2

'A new arising from the previously arisen through the "harnel-miatznel," the process of which is actualized thus the higher blends with the lower in order together to actualize the middle, and thus to become either higher for the preceding lower or lower for the succeeding higher.

It is true, no lie, certain and to be depended upon,

The superior agrees with the inferior, and the inferior agrees with the superior, to effect that one truly wonderful work.

As all things owe their existence to the will of the only one so all things owe their origin to the one only thing, the most hidden by the arrangement of the only God.

The father of that one only thing is the sun, its mother is the moon, the wind carries it in its belly; but its nurse is a spirituous earth.

That one only thing is the father of all things in the Universe.

Its power remains perfect, after it has been united with a spirituous earth.

Separate that spirituous earth from the dense or crude by means of a gentle heat, with much attention.

In great measure ascends from the earth up to heaven and descends again, newborn, on the earth, and the superior and the inferior are increased in power.

By this wilt thou partake the glory of the whole world. And Darkness will fly from thee.

This is the strength of all powers. With this thou wilt be able to overcome all things and transmute all what is fine and what is coarse.

In this manner the world was created; the arrangements to follow this road are hidden.

For this reason I am called Hermes Trismegistus, one in essence, but three in aspect.

In this trinity: is hidden the wisdom of the whole world.

It is ended now, what I have said concerning
the effects of the sun. - The Emerald Tablet.
