

Gnostic Mysteries Prometheus Lucifer

The one who whitewashes the devil, turning it into its resplendent and primogenitary state, the one who dies in oneself, here and now, liberates the chained Prometheus. Thus, Lucifer-Prometheus pays the individual with abundance because he is a colossus with power over the heavens, the earth, and the Infernos. - Samael Aun Weor

Now the serpent was more subtil than any beast of the field which Jehovah Elohim had made. And he said unto the woman, Yea, hath Elohim said, Ye shall not eat of every tree of the garden?

And the woman said unto the serpent, We may eat of the fruit of the trees of the garden: But of the fruit of the tree which is in the midst of the garden, Elohim hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.

And the serpent said unto the woman, Ye shall not surely die: For Elohim doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.

And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.

Genesis 3: 1-6

Metaphorically, Lucifer is the conductor-torch which helps the human being to find his route through the cliffs and the sand banks of life...

Lucifer is the Logos in its more elevated aspect and the 'adversary' in its inferior aspect, both reflecting themselves in and within each one of us.

Lactacio, when speaking about the nature of Christ, makes of the Logos, the Verb, the "first begotten brother of Satan and the first of all creatures."

Samael Aun Weor

And it came to pass, when Adam began to multiply on the face of Adamah, and daughters were born unto them that the Beni Elohim saw the daughters of Adam that they were fair; and they took them wives of all which they chose.

And Iod-Havah said, My spirit shall not always strive with Adam, for that he also is flesh: yet his days shall be an hundred and twenty years.

There were giants in the earth in those days; and also after that, when the Beni Elohim came in unto the daughters of Adam, and they bare children to them, the same became mighty men which were of old, men of renown.

And Iod-Havah saw that the wickedness of the terrestrial Adam was great, and that every imagination of the thoughts of his heart was only evil continually.

And it repented Iod-Havah that he had made the terrestrial Adam, and it grieved him at his heart. And Iod-Havah said, I will destroy Adam whom I have created from the face of Adamah; both Adam, and Behemah, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them. - Genesis 6: 1-7

Oh divine ether! Breezes on swift bird-wings...
Behold what I, a God, from Gods endure!
And yet - what am I saying?- exactly I foresee
all that shall come to pass...
what is determined now...
To suffer the fatal destiny that fate has given me;
for I know well the Law of Hades is
unconquerable...

[Because of fornication] The gift of Prometheus thus became a CURSE – though foreknown and foreseen by the HOST [Bodhisattvas] personified in that personage, as his name well shows. It is in this that rests, at one and the same time, its sin and its redemption.

ABSURD JUSTIFICATION

For the Host [of Bodhisattvas] that incarnated in a portion of humanity, though led to it by Karma or Nemesis, preferred free-will [better said, evil will] to passive slavery, intellectual [insurrection, that is] self-conscious pain and even torture "while myriad time shall flow" -- to inane, imbecile, instinctual beatitude. Knowing such an incarnation was premature and not in the programme of nature, the heavenly host, "Prometheus," still sacrificed itself to benefit thereby, at least, one portion of mankind.

Vain thing is to mistake a downfall with a descent!
These Deities did not descend, they fell, and this is different...

Therefore and rightly so, this is why the Theogonies depict to us these divine Logoi as punished...

Our Saviors, the Agnishvatta, the superior Titans of the luciferian fire, can never be cheated.

They, [Hillel Ben Shahaר - הילל בן-שחר] the glorified children of the dawn, know very well how to distinguish between what is a downfall is and what is a descent.

- Samael Aun Weor

What happened then with Moloch? What occurred then with Andrameleck and his brother Asmodeus? What then with Belial? What then with Baal Pehor? What then with Jahve?...

Luminaries from ancient times; yet, now horrifying Demons... - Samael Aun Weor

For the seed of woman or lust, bruised the head of the seed of the fruit of wisdom and knowledge, by turning the holy mystery of procreation into animal gratification; hence the law of Karma "bruised the heel" of the Atlantean race, by gradually changing physiologically, morally, physically, and mentally, the whole nature of the Fourth Race of mankind,* until, from the healthy King of animal creation of the Third Race, man became in the Fifth, our race, a helpless, scrofulous being, and has now become the wealthiest heir on the globe to constitutional and hereditary diseases, the most consciously and intelligently bestial of all animals! - Secret Doctrine

Yea, whiles I was speaking in prayer, even the [אִישׁ] man Gabriel, whom I had seen in the vision at the beginning, being caused to fly swiftly, touched me about the time of the evening oblation. And he informed me, and talked with me, and said, O Daniel, I am now come forth to give thee skill and [Binah] understanding. - Daniel 9: 21, 22

Behold, here I am, pained and crucified
By will of a God, though I myself am a God;

My love for mortal men the only offense
that bows me to this yoke. - Aeschylus

Prometheus, the Greek God is the Maha-Asura, the Hindustani Lucifer who rebelled against Brahma the Lord, for which Shiva, the Third Logos, hurled him with indignation down into the inferior Patala.

Prometheus-Lucifer is a mysterious fire detached from the Solar Logos and wisely fixed in the center of the earth by the force of gravity and the weight of the atmosphere.

It is written with golden words in the book of life: “The superlative ingredient of the Anima Mundi is the luciferian phosphorus.” As a sequence or corollary, it fits here to asseverate with much emphasis the following: The sterile work of Mime in his forge, the rotund failure of the creative powers comes when the fire is extinguished.

The ardent crepitation of the elemental fire of the wise under the Alchemist’s crucible is an axiom of Hermetic Philosophy.

INRI: Ignis, Natura, Renovatur, Integra; the fire renews all Nature incessantly.

You know this...

Let Lucifer, the Maha-Asura be excluded from Sex-Yoga and observe then what happens...

Let failure be contemplated. - Samael Aun Weor

The Florentine Dante, illustrious disciple of Virgil, the eminent crowned bard from Mantua, finds in the right moment Dis, Prometheus-Lucifer in the Ninth Sphere. This is obviously in the center of the earth, in the profound well of the universe, the place “where the souls were all covered underneath, transparent, as through glass Pellucid the frail stem.”

The Maha-Asura, fatally enchained to the severe rock of sex, cruelly passes through unutterable bitterness. The wild flames of lust frightfully torture him. The insatiable, useless vulture of reasoning gnaws at his entrails. - *Samael Aun Weor*

The ultra-modern Prometheus-Lucifer frightfully devolving in time, has now become *Epi-metheus*: "The one who sees only after the event"; because the glorious universal philanthropy of the former has since many centuries ago degenerated into selfishness and self-adoration. The human soul will re-become the *free* Titan of old, but not before the recycling devolution has re-established the broken harmony between the two natures -- the terrestrial and the divine; after which the human soul becomes impermeable to the lower titanic forces, invulnerable in his personality, and immortal in his individuality, which cannot happen before every animal element [ego] is eliminated from his nature. When human understands that "*Deus non fecit mortem nec laetatus in perdition vivorum*" (Wisdom 1: 13) [God made not death, neither hath he pleasure in the destruction of the living], but that man has created it himself, he will re-become the Prometheus before his Fall.
