

GNOSTIC REVOLUTIONARY ETHICS

THE MACHINERY OF THE SOUL

PART 6

FOUNDATION OF INITIATION

Love is the basis and foundation of initiation. It is necessary to know how to love.

- Samael Aun Weor, The Perfect Matrimony

ASPIRATIONS OF INITIATION

The truth is that before the individual acquires new faculties or powers that he does not even remotely know about and which he does not possess, he must first acquire the faculties and powers that he mistakenly thinks he has, but indeed does not.

- Samael Aun Weor, *Fundamentals of Gnostic Education*

REVOLUTIONARY ETHICS

It is clear that in order to disintegrate the "I," a revolutionary ethics based on psychology is necessary...

- Samael Aun Weor, *The Spiritual Power of Sound*

Revolutionary ethics are the thoughts, emotions, and behaviors which transform or revolutionize the energy of life in ways conducive for psychological liberation.

REVOLUTIONARY ETHICS

Revolutionary ethics only made sense if one becomes aware of:

1. The reality of one's psychological imprisonment.
2. The causes and results of each thought, emotion, and behavior.
3. The knowledge of one's possibility of emancipation.
4. The knowledge of how to achieve this emancipation.

These are the Four Noble Truths.

LIBERATION IS POSSIBLE

“I am the way, the truth, and the life...” – Jesus, John 14:6

“In your patience possess ye your souls.” – Jesus, Luke 21:19

“Now this, bhikkhus, is the noble truth of the way leading to the cessation of suffering: it is this noble eightfold path; that is, right view, right intention, right speech, right action, right livelihood, right effort, right mindfulness, right concentration.” – Buddha Gautama,
Dhammacakkappavattana Sutta

“The divine nature is deemed for liberation and the demoniacal for bondage. Grieve not, O Arjuna, for thou art born with divine properties!”
– Krishna, Bhagavad-Gita 16:5

THE PRICE OF ENLIGHTENMENT

People with subjective psyches are absolutely utopian. They mistakenly suppose that they can be enlightened without having achieved the death of the ego in a radical and categorical way.

These people do not want to understand that as long as they are self-imprisoned, genuine, objective enlightenment is completely impossible.

The price of enlightenment is paid with one's own life. In the sacred land of the Vedas there are chelas (disciples) that after thirty years of intensive work are only at the beginning, in the prologue of their work.

-Samael Aun Weor, *The Mystery of the Golden Blossom*
