Let us remember what is called remorse, which certainly is the accusing voice of the consciousness.

Those who never feel remorse are truly very far from their Interior Judge. Commonly, they are lost cases.

People like that must work very intensely with the Rune Rita, thus, this is how they will liberate their Interior Judgement.

We need with urgency to learn how to be guided by the voice of the silence, that is to say, by the Intimate Judge.

Samael Aun Weor

The police of Karma, the Kaom, emerge inside each one of us, within those intimate regions where love is missing.

To flee from the agents of Karma is not possible, since inside of each one of us exists the police who inevitably will conduce us towards the tribunals.

Samael Aun Weor

RUNE RITA

PRACTICE

The fundamental mantras of the Rune Rita are:
RA..... RE..... RI..... RO..... RU.....

.....
In the present Rune Rita we must open one leg and one arm. Thus, in this position, the Gnostic students will see that they in themselves are forming this Runic Letter, such as it is written.

The present Runic practice has the power of liberating the Internal Judgement.

We need to convert ourselves into judges of consciousness. To awaken the Buddhata, the soul is urgent.

The present Rune has the power of awakening the consciousness of the Judges.

VARIATIONS OF RUNE EIHWAS

YEW TREE SYMBOL OF EIHWAZ

And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war. His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.

And he was clothed with a vesture dipped in blood: and his name is called The Word of God (דבר אלהים).

- Revelation 19: 11-13

RUNE NOT

RUNE NOT

PRACTICE #1

The practices of the Rune Not take us to the performing of Pranayama, that is to say, to the wise and intelligent combination of solar and lunar atoms. You must profoundly inhale the vital air, the Prana, the life, through the right nostril, and exhale it through the left nostril while mentally counting up to twelve.

Then after, inhale through the left nostril and exhale through the right one, and vice versa. Continue with this exercise for ten minutes. In this practice, you must control your nostrils with your index finger and your thumb.

Afterwards, the Gnostic student must sit down or lay down in dorsal decubitus (on his back, facing upwards). With his body relaxed, he must concentrate and try to remember his past lives.

RUNE NOT

Practice # 2

In the case of requiring the assistance of Anubis, if you urgently need to negotiate with him, then, you must open your arms to the sides. While in this position, you must form the Rune by placing one arm at an angle of 135 degrees and the other arm at an angle of only 45 degrees.

Then, the arm which is forming the angle of 45 degrees will move in order to form an angle of 135 degrees, and the other arm will move to form the angle of 45 degrees.

During this exercise, you must chant the Mantras:

NA...., NE...., NI...., NO...., NU...., while having your mind concentrated on Anubis, the Chief of Karma. In this manner, beseech him for the negotiation you wish, and ask him for the help urgently needed.

You must observe well the form of the Rune Not, imitating with your arms this sign. The right and left arms must alternate in their movements.
