When I was born in the Causal World, or better said, the parallel universe of the Conscious Will, then, the Sacred Cloth of Veronica shone upon the altar of the temple.

Many heads crowned with thorns that are chiselled in stone are found to be related to the Age of Bronze.

A cult to the God of Thorns existed. Such thorns, when treated with consideration and judiciously examined, present to us with clarity the symbolic figure of the Rune Thorn.

In these sacred mysteries of the Thorn Cult special practices were given in order to Develop the Conscious Will.

Dorn, Thorn, signifies Will-Power. Remember Gnostic brethren that our motto is THELEMA. The Divine Rostrum crowned with Thorns signifies Thelema, that is to say, Conscious Will.

The Rune Kaum with its Qabbalistic six, vibrates with maximum intensity within the sphere of Venus, the planet of love.

But, oh God of mine! Remember, beloved reader, that roses without Thorns do not exist. You know this! - Samael Aun Weor

Orpheus, Pluto and Proserpine

The great King Latinus did not forget in his prayer the terrible abode of Pluto and the Infernal Gods [Angels of the Abyss], those divine Beings, those sacred Individuals (Bodhisattvas) who [like Orpheus] renounced the happiness of Nirvana, in order to live in the Infernal Worlds to fight for the decidedly lost ones.

The Magic of the Runes by Samael Aun Weor

Joan of Arc

Woman has the same rights as man.

Woman also reaches the level of Adept of the White Fraternity.

Joan of Arc is a Master of Major Mysteries of the White Fraternity.

H.P. Blavatsky, author of The Secret Doctrine, reached the level of Adept and she is a Master of Major Mysteries of the White Fraternity.

In almost all the temples of the Mysteries, we find many female Adepts working for humanity.

Woman awakens her sacred serpent in the same way as man.

If a woman who is married wants to awaken her Kundalini, then she must practice sexual magic with her husband.

RUNE KAUN

The mysterious Rune K represents the Priestess Wife and also the Flaming Sword with complete Exactitude....

The mysteries of the Rune Kaum gloriously shine in the bottom of the Ark awaiting for the instant For them to be accomplished.

- Magic Runes

This is the mystery of Baphomet.

The rose elaborates its perfume with the clay Of the earth. The slithering worm does not like the gardener who removes its clay.

Our disciples will now comprehend on what basis do the tenebrous ones qualify the sexual Alchemists as thieves. - Igneous Rose

Samael Aun Weor

Within the sexual matrass of our organic laboratory, the explosions of passionate fire combine certain ethereal, astral, mental, volitive, conscious and divine arcana. This occurs in order to elaborate certain igneous elements, whose substantial principles belong to the Innermost, with the ardent fire of the erotic thirst.

The woman accumulates a very large quantity of elemental fire from Nature while in the state of sexual excitement, and when her fire is combined with the erotic magnetism of her husband, then it engenders certain cosmic powers whose tremendous explosions open the spinal chambers.

The boiling passionate fires of man and woman, when mutually and erotically combined, create truly ardent tempests that disturb the atmosphere and cause the tenebrous ones, who are the escorts of each chamber, to go mad.

These submerged entities attack the intrepid ones by defending the fires, whose synthetic and scientific principles are enclosed in the thirty-three internal chambers of our spinal column.

These tenebrous ones defend their rights, and for this reason they qualify us as thieves of powers....

Each chamber is strongly defended by tenebrous legions. It is necessary to defeat these tenebrous ones with the edge of the sword in order to take each chamber by force.

Now the devotees of the path will understand why Christ said that heaven is taken by force.

When sexually excited, the woman has the power to transplant the synthetic principles of the twelve salts to the larynx of the man. This is how such an organ acquires hermaphrodite principles that later give the Innermost the power to create by means of the word.

The combination of the igneous principles between the man and the woman are also intimately related with a sequence of salty interchanges that prepare the feminine larynx as an angelic creative organ. - Igneous Rose

Samael Aun Weor

Dorn is also the phallus, the volitive principle of Sexual Magic (Maithuna).

There is the need, by means of the phallus, to intelligently accumulate the seminal energy, and when it is refrained and transmuted, it is converted into Thelema (Will-Power).

Arm yourself with a will-power like steel, remember beloved reader that without the thorn which pierces or sticks, the spark does not jump, the light does not emerge.

We can return from the Tartarous and up to the light of the sun, only with Thelema (Christ Will).

Truly, I tell unto you that Christ Will knows how to obey the Father on earth as it is in heaven.

Take heed of the Evil Will, it is in itself the strength of Satan, that is to say, concentrated desire.

PRACTICE: In the military position, on our feet, firm, and facing towards the east, place your right arm in such a way that your hand will remain resting upon your waist or hips, thus, performing the form of this Rune. Now, you must sing the mantric syllables:

TA, TE, TI, TO, TU, with the purpose of developing in yourself Christ-Will. This exercise must be practiced every day at sunrise.

The mysterious Rune K represents the Priestess Wife and also the Flaming Sword with complete Exactitude.
